Healthcare Purchasing

Why employers must look beyond the renewal and understand the true cost of care.

2

High Performance Health Plans

What it takes to build a smarter plan with better value, better care, and better outcomes.

3

Self-Funding Strategy

When self-funding makes sense, when it doesn't, and why funding alone is not the strategy.

4

PBM Contracts & Pharmacy Costs

How contract structure, rebates, specialty drugs, and transparency affect employer results.

5

Stop-Loss Strategy

Lasers, rate caps, contract provisions, and catastrophic-risk management.

6

Transparency & Fiduciary Oversight

Why healthcare deserves the same discipline employers apply to other major expenses.

PROOF & RECOGNITION
